

# Texas High School Rodeo Association

**REGION 1 PO BOX 1414 CANYON, TEXAS 79015 806-655-9910**

Prospective High School Rodeo Member:

Thank you for your inquiry of Texas High School Rodeo – Region 1. Our area covers the Texas Panhandle, but we also have members from Eastern New Mexico, the Oklahoma Panhandle, Western Oklahoma and Southeastern Colorado.

One thing that makes our region unique from the rest of the Texas program is the Tri-State High School Rodeo Association. Tri-State covers the same area and is the backbone for high school rodeo in the Texas Panhandle. At least ninety percent of our rodeos are co-approved for both associations. It is your choice which association you join – many current members compete for both. The chart below compares the two associations:

	Tri-State	Texas – Region 1
Annual membership dues	\$50	\$185 (includes insurance)
Fundraising requirements	\$7 Finals charge per rodeo	15 - \$5 Dodge truck tickets 1 - \$50 Bloomer trailer ticket
Finals program ads	1 - \$50 business card ads	1 - \$50 business card ad
Year end finals	Top 15 per event advance to finals in early June. Buckles and saddles awarded to Year End Champions.	Top 10 per event at end of regular season advance to State Finals in Abilene in June to compete against the 9 other regions. Top 4 per event after State Finals advance to National Finals in July.
Scholarships	4 - \$1000 scholarships awarded in 2008 through the Tri-State High School Rodeo Association Memorial Scholarship Fund.	In the past two years, over \$20,000 was awarded to Region 1 members through the Texas High School Rodeo Association. Amounts ranged from \$400 to \$3500.
Entry fees	Boys events: bb, sb & br - \$32 cr, rr, sw - \$27 Girls events: ba, pl, gt - \$25 bk - \$27 Team roping: \$21 per run Office charge is \$9 per rodeo.	All events are \$20 each with a \$5 office charge per rodeo. No ribbon roping. Cutting events sponsored by Panhandle Cutting Horse Association & Palo Duro Cutting Horse Association.
Team Roping	Members may enter up to two times (with different partners.) Only two loops allowed.	Only one run allowed. Held in conjunction with Tri-State team roping. Tri-State team must designate which run will be used for Region 1.

Members who compete in both associations pay two separate entry fees for each rodeo. In turn, there are two separate payoffs and two separate point totals.

I have enclosed membership applications for both Tri-State High School Rodeo Association and the Texas High School Rodeo Association (NHSRA). **A recent report card or transcript along with a copy of your birth certificate is required with membership.**

Please feel free to call the office if you have any questions. Thank you again for interest in high school rodeo.

Sincerely,

*mikey*

Mikey Jo Duggan  
Tri-State & THSRA Region 1 Secretary
