Thank you for your inquiry of Tri-State High School Rodeo Association. Our area covers the Texas Panhandle, but we also have members from Eastern New Mexico, the Oklahoma Panhandle and Western Oklahoma.

One thing that makes our area unique is that we are also Region 1 of the Texas High School Rodeo Association. All of our rodeos are co-approved for both associations. It is your choice which association you join – many current members compete for both. The chart below compares the two associations:

	Tri-State	Texas – Region 1
Annual membership dues	\$60	\$205 (includes insurance)
Fundraising requirements	\$7 Finals charge per rodeo 16 - \$5 Yard Bird Bingo tickets (Tri-State, Region 1 high school and Region 1 junior high members work together on this game.)	15 - \$5 Dodge truck tickets 1 - \$50 Bloomer trailer ticket 16 - \$5 Yard Bird Bingo tickets (Tri-State, Region 1 high school and Region 1 junior high members work together on this game.)
Finals program ads	1 - \$50 business card ad	1 - \$50 business card ad
Year end finals	Top 15 per event advance to finals in May. Buckles and saddles awarded to Year End Champions.	Top 10 per event at end of regular season advance to State Finals in Abilene in June to compete against the 9 other regions. Top 4 per event after State Finals advance to National Finals in July.
Scholarships	\$6000 in scholarships were awarded in 2011 through the Tri-State High School Rodeo Association Memorial Scholarship Fund.	Region 1 members are awarded scholarships ranging from \$250 to \$4000 through Texas High School Rodeo Association.
Entry fees	Boys events: bb, sb & br - \$39 cr, rr, sw - \$34 Girls events: ba, pl, gt - \$32 bk - \$34 Team roping: \$29 per run Office charge is \$9 per rodeo.	All events are \$25 each. No ribbon roping. Cutting events sponsored by Panhandle Cutting Horse Association & Palo Duro Cutting Horse Association. Office charge is \$5 per rodeo/cutting.
Team Roping	Members may enter up to two times (with different partners.) Only two loops allowed.	Only one run allowed. Held in conjunction with Tri-State team roping. Tri-State team must designate which run will be used for Region 1.

Members who compete in both associations pay two separate entry fees for each rodeo. In turn, there are two separate payoffs and two separate point totals. Membership applications for both Tri-State High School Rodeo Association and the Texas High School Rodeo Association (NHSRA) are included in this packet along with specific instructions for completing the NHSRA application. (Please use separate checks for each application.)

Please feel free to call the office if you have any questions. Thank you again for interest in high school rodeo.

Sincerely,

*mikey*
