United States Calf Roping Association (USCRA) Numbers will be taken into consideration by Joe Beaver.

Flagman and barrier judge's decisions are final. Bad sportsmanship may result in disqualification. No protests.

No intentional dragging or abuse of any animals. All roping one loop. Rope barriers will be used.

The back gate will be open in all events except the 12 & under Tiedown.

BREAKAWAY: Rope must be tied with string provided to saddle horn at the end of the rope. A clean bell collar loop (when the string breaks) is the only legal catch, except in the 12 & under Breakaway. A bell collar catch is when the loop passes over the head of the calf but not over the head of tail. No feet, tail or part of head can be in the loop. In the 12 & Under Breakaway a catch is considered legal if the loop passes over entire head of the calf and breaks the string from the saddle horn. The flag must be tied at the end of the rope.

12 & UNDER TIEDOWN: Joe Beaver will designate an assistant to flank the calf after 30 seconds.

No other assistance will be allowed. A whistle will be blown at 30 seconds to signal for help.

If a roper fails to get a calf up, the contestant will be assessed a 5 second penalty. The back gate will be closed.
