You need to fill out one envelope PER day – even if you have credits for fees.

Entries open Monday April 20<sup>th</sup> and close Saturday April 25<sup>th</sup>.

Everything regarding entry fees, payouts and points remains the same as usual for figuring Tri-State results. Nothing is combined with Oklahoma. “Average” points are available this weekend if you compete both days.

The awards listed above will be awarded based on combined results. The points earned from the combined results will determine the team standings and who gets “bragging rights” for the year.

Any other details I get will be posted on the website.
